

Westmount Charter School seeks a dynamic, enthusiastic principal for our Mid-High Campus setting (Grades 5-12). The ideal candidate would be passionate about fostering a safe, caring environment for children who are gifted, while facilitating the school's pedagogical mandate of approaching *giftedness from the inside out*, allowing each student to reach their highest personal potential in all areas of life.

Westmount, consisting of two campuses, is the only K-12 congregated setting in Alberta for gifted students. The Mid-High Campus serves approximately 850 students with diverse backgrounds and social and emotional needs, including special needs, twice exceptional, under achievement and high achievement.

As a forward-thinking educational leader, you will embrace our *Inside Out* Charter pedagogy, and possess the following professional attributes:

- A Master's degree, at minimum
- Course work or professional development in gifted education, preferred
- Successful previous experience in an administrative role at the assistant principal level or higher
- Previous experience with Alberta Education coding for multi-exceptional students
- Commitment to promoting our school vision to become a leading international institution in re-thinking gifted education
- Eligible for or possesses Alberta teacher certification
- A valid police check

Most important to our school population are the following personal characteristics:

- Flexibility, empathy and passion for supporting our students' multi-faceted needs
- Appreciation of asynchronous development
- Ability to navigate the complexities of our diverse community, including relationships with and among administration, staff, students and parents
- Approachability and willingness to develop a strong individual connection with students
- Dedication to fostering community spirit and extracurricular activities at the school
- Appreciation and support of the importance of music, arts, drama and athletic programming in balance to the academic curricula
- Commitment to encouraging and facilitating the active and meaningful involvement of the parent community
- Sense of humour is a must!
